HEALTH & SAFETY POLICY:

HSE commitments of CCR with respect to its operations, activities, and overall HSE performance. During the development of this policy, the appropriateness to the nature, scale and HSE impacts of CCR activities, products and services has been considered. The policy is endorsed by the **Managing Director**.

- We acknowledge our obligation to comply with regulatory standards that govern our manufacturing operations.
- Provide clean, healthy & safe work environment to prevent injuries & ill health to our personnel.
- Ensuring all employees are provided with ongoing health & Safety training, all necessary personal protective equipment & machinery.
- Promptly report incidents, investigate, share crucial learnings, and prevent recurrences.
- Continuously monitor progress and address health & safety risks evaluating, identifying, and prioritizing actions using established metrics and targets.
- Involve our employees and business associates in maintaining a safe and healthy work environment through consultation and participation.

Luke Deasy
Managing Director
